ESQ. MUNRO TO SEC'Y BANYAR.

Fowlis, May 30th 1771.

Sir.

I inclose you different affidavits taken before me concerning the conduct of the Inhabitants of this County in order that the Government may do something Speedily to prevent their Riotous behaviour every person that pretends to be a friend to this Government are in danger of both Life and property, for my own part I have done every thing that might be means to prevail, but all to no purpose for every act of Friendship that the Government and Ministers of Justice shows them seems to rais their Spirits as if the whole Government were afraid of them. They assemble themselves together in the night time and throws down all the Yorkers Fences &c as we are called and Drives the cattle into the Filds and meadows and destroys both Grass and corn, and do every mischief they can think of. Pardon the imperfection of this and the other papers herewith sent you as I am in confution my House being full of Rioters and the Felon that Shot the Horse going to Goal which the Constable secured, and by his confession two more are concerned, but I doubt if we can secure them. - I am in hast Sir

Your Obed^t Servant

JOHN MUNRO.
